

Concise synopses and full translations

Press Summaries keep your top international management informed with **thorough, up-to-the-minute** synopses of the **essential facts** and issues of your market. We save you the time-consuming job of **sifting through** and **summarising** large volumes of media reports. This clear, fast and structured information tool is available in your and/or foreign languages.

Press Summaries

Whether every day, once a week or on a monthly basis – receive German Press Summaries **from 12 midday** and in other languages **from 2 pm**, whether by email, fax, or on your Blackberry®.

You can select concise **summaries** with the most important **facts** and **key statements**, or a more thorough version with the **main arguments** of the report.

Our **editorial team selects** and **summarises** similar articles. **Press Summaries** can be categorised according to **standard** or **custom criteria**.

Press Summaries can be in our standard layout or in **your own design**.

You may use and reproduce your **Press Summaries** without any legal concerns. Send them to as many management teams as you wish, publish the texts on your **website** or as a **newsletter** for major clients, or integrate the summaries into your **internal newsletter**.

Our summaries take into account both **cultural** and **linguistic contexts** of reports and articles.

Includes

Access your **Press Summaries** anywhere and at any time with the **AUSSCHNITT Portal**, your web-based information management solution. Access the latest matches in the media and stored **Press Summaries** with the portal's various archive and search functions.

Create and save your own Press Summary dossiers in the **AUSSCHNITT Portal** with the **Dossier Creation** tool.

We deliver your Press Summaries as a Word document via e-mail with links to the PDF articles in the AUSSCHNITT Portal* or as a html document on your Blackberry®. Text files can also be downloaded from the AUSSCHNITT Portal.

Translations

Our team of **native speakers** translate international news reports from various source languages into your own or different foreign languages as required.
